The Rick Murphy Golf Academy Junior Golf Camps are designed to teach basic fundamentals in a fun atmosphere. The program's goal is to improve the skills of all participants playing ability, and increase their knowledge of the rules and etiquette of golf.

## Camp Staff

Participants will receive professional instruction from our **Award Winning PGA Member Staff**. Our teachers have a special desire to make junior golf one of our top priorities. We take pride in our junior golf camps, as we strive to make "success stories" with all our junior golfers. Our PGA member staff includes:

Rick Murphy, PGA Professional  
Bob Brooks, PGA Professional  
Leo Halloran, PGA Professional  
Jack Lewis, PGA Professional  
Casey Cline, PGA Apprentice

## What To Bring

Each camp participant should bring golf clubs that are tagged with their name. We highly recommend bringing sunscreen that contains a high SPF rating. Water will be provided, but participants may bring their own sports drinks and snacks if they prefer.

## Groupings

Students will be grouped according to age with eight or less students per group. Instruction sessions are 50 minutes with a 10-minute break each hour.

Note: Campers will hit a number of balls during the week. To avoid blisters and other muscle ailments during the week, campers will be asked to take their time practicing. Hitting golf balls too fast can cause injury.
